

Individual Application
to use the

CASE 2022 Multilingual Protest Event Detection Shared Task Research Collection

I, _____, a person engaging in research and development of natural-language-processing, information-retrieval or document-understanding systems, and a member of, consultant to, or person providing service to the following organisation:

Organisation: _____

Official mail address: _____

Telephone: _____

Facsimile: _____

Electronic mail: _____

apply to use the CASE 2022 Multilingual Protest Event Detection Shared Task Research Collection.

I understand that authorisation to use the CASE 2022 Multilingual Protest Event Detection Shared Task Research Collection indicates my intention to participate in the CASE system evaluation activity for the CASE 2022 Multilingual Protest Event Detection Shared Task and this participation is subject to the following understandings, terms and conditions. These understandings, terms and conditions apply equally to all or part of the information.

Permitted Uses

1. The information may only be used for research and development of natural-language-processing, information-retrieval or document-understanding systems.
2. Summaries, analyses and interpretations of the linguistic properties of the information may be derived and published, provided it is not possible to reconstruct the information from these summaries.
3. Small excerpts of the information may be displayed to others or published in a scientific or technical context, solely for the purpose of describing the research and development and related issues. Any such use shall not infringe on the rights of any third party including, but limited to, the authors and publishers of the excerpts.

Copyright

1. The copyright holders retain ownership and reserve all rights pertaining to the use and distribution of the information.
2. Except as specifically permitted above and as necessary to use and maintain the integrity of the information on computers used by the organisation, the display, reproduction, transmission, distribution or publication of the information is prohibited. Violations of the copyright restrictions on the information may result in legal liability.
3. Copyright holders of the information contained in the CASE 2022 Multilingual Protest Event Detection Shared Task Research Collection are the publishers of the news articles that are in this collection.
